About the job

Job Description

Reporting to the Global Head of Pricing, the Deposit Pricing Associate supports the Banking Practice by contributing to analytical projects and key business initiatives.

Job Responsibilities

- Develop and institutionalize process to maintain an analytical source of truth for deposits data – account/client attributes & performance every month, for new and existing book.
- Apply data-driven approaches to help create, refresh, and maintain pricing strategies for all deposit products in GPB's global deposit business.
- Perform in-depth analysis of prevailing pricing across clients and products, leveraging quantitative techniques & frameworks, to recommend rate changes and present findings at scheduled forums.
- Own intent in technology projects to revamp pricing screens, controls & deposit placement tickets, increase efficiency and build more data controls.
- Design, build, and maintain advanced models and analytical workflows to evaluate the impact of pricing changes on book volumes and net interest income, supporting incremental profitability assessments.
- Collaborate with other business lines to understand and align pricing strategies, sharing analytical insights to support decision-making.

Required Qualifications, Capabilities & Skills

- 4+ years of experience in financial services, with a strong focus on analytics supporting the Banking business.
- Background in financial services/deposits/lending & treasury, ideally within Wealth Management, with hands-on experience in data analysis and modelling.
- Structured problem solving – Identify issues, define clear problem statements, arrive at hypotheses, develop frameworks, pull data to unambiguously prove or disprove these hypotheses.
- Storyboarding & Presentation – Strong written and verbal communication skills to communicate problem-solving approach, framework and recommendations.
- Data & Quantitative analysis – Strong proficiency with SQL, Python, SAS, Tableau, Alteryx, and MS Office suite including Excel, PowerPoint
- Intellectual curiosity – demonstrated eagerness/aptitude to learn about global macroeconomics, short-term yield trends, recent developments in analytical modelling that study client behavior.
- Team player with positive attitudes towards new tasks, dealing with obstacles in daily tasks, details oriented and willingness to put in additional efforts.

Preferred Qualifications, Capabilities & Skills

- Strategic and analytical thinker with a drive towards execution and results.
- Influencing skills to manage a variety of stakeholders from different functions.
- Team player who proactively shares knowledge and information within and outside the function and can manage other team members.

ABOUT US

JPMorganChase, one of the oldest financial institutions, offers innovative financial solutions to millions of consumers, small businesses and many of the world's most prominent corporate, institutional and government clients under the J.P. Morgan and Chase brands. Our history spans over 200 years and today we are a leader in investment banking, consumer and small business banking, commercial banking, financial transaction processing and asset management.

We offer a competitive total rewards package including base salary determined based on the role, experience, skill set and location. Those in eligible roles may receive commission-based pay and/or discretionary incentive compensation, paid in the form of cash and/or forfeitable equity, awarded in recognition of individual achievements and contributions. We also offer a range of benefits and programs to meet employee needs, based on eligibility. These benefits include comprehensive health care coverage, on-site health and wellness centers, a retirement savings plan, backup childcare, tuition reimbursement, mental health support, financial coaching and more. Additional details about total compensation and benefits will be provided during the hiring process.

We recognize that our people are our strength and the diverse talents they bring to our global workforce are directly linked to our success. We are an equal opportunity employer and place a high value on diversity and inclusion at our company. We do not discriminate on the basis of any protected attribute, including race, religion, color, national origin, gender, sexual orientation, gender identity, gender expression, age, marital or veteran status, pregnancy or disability, or any other basis protected under applicable law. We also make reasonable accommodations for applicants' and employees' religious practices and beliefs, as well as mental health or physical disability needs. Visit our FAQs for more information about requesting an accommodation.

JPMorgan Chase & Co. is an Equal Opportunity Employer, including Disability/Veterans
